To Whom It May Concern:

I am delighted to know that Changlochen Rinpoche and Ven. Dhyani Ywahoo are launching their Drikung Sunray Monastery Project soon.

It is evident in the United States that the number of Western monastics are on the increase. What is also on the increase is their need for an environment where they can practice their faith without having to compromise it. I am in complete support of the Drikung Sunray Monastery Project. It has my blessings, and I had accepted to sit on their advisory board.

I ask all of my friends and disciples to lend your support to this worthy project.
